I found the system unnecessarily complex.

I thought the system was easy to use.

I think that I would need the support of a technical person to be able to ...

I found the various functions in this system were well integrated.

I thought there was too much inconsistency in this system.

I would imagine that most people would learn to use this system very quickly.

I found the system very cumbersome to use.

I felt very confident using the system.

I needed to learn a lot of things before I could get going with this system.
